Description

Medical assistant for Integrative Cancer Treatment Center

Seattle Cancer Treatment and Wellness Center is looking for a medical assistant to join our integrative care team at our Capitol Hill location. This is a full-time, 40hr/wk M-F position.

This position requires direct patient care, greeting and rooming patients, taking vital signs, phlebotomy, injections, minor procedure preparation, and educating patients and family members.

Experience desirable.

Seattle Cancer Treatment and Wellness Center is the first and only integrative cancer treatment center in the Northwest where medical oncologists, naturopathic physicians, traditional Chinese medicine, acupuncture and mind-body-medicine practitioners and oncology nurses work side-by-side, all under one roof to care for the whole person - body, mind and spirit.
